Olmo Table Lamp

Mouth-blown glass globe table lamp

Hand-blown glass gives this globe its depth of colour, catching the light even when switched off. Once lit, the colour warms and the whole sphere becomes a soft source of light. Three adjustable tones let you match the mood, from warm amber to a cooler white.

PROJECT _____ ROOM _____

COLOUR _____ QTY _____

NOTES _____

Bauhaus-inspired design
Pure geometric forms

Mouth-blown glass
Shaped by hand

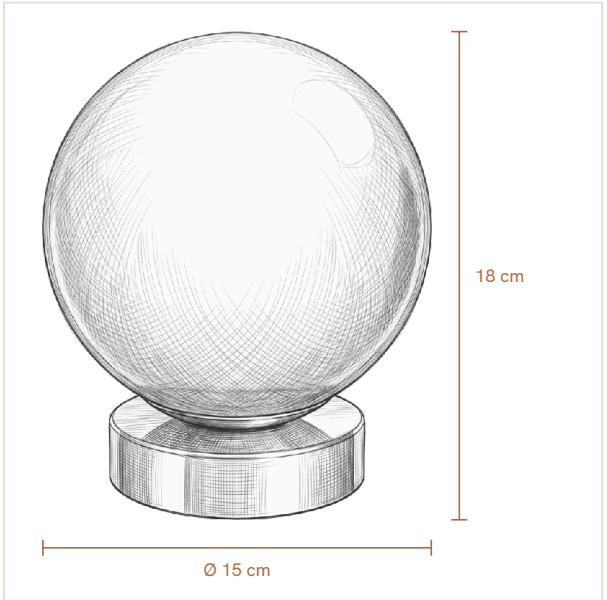

Three light tones
Warm, neutral, cool

12-month warranty
Manufacturing defects
